amount calculated at the prevailing savings account interest rate on the date of debit, for the period between such erroneous debit and its reversal. ## 4.1 Remittances in India

## 4.1.1 Delay in crediting RTGS/NEFT to the beneficiary beyond the timeline as per the procedural/regulatory guidelines:

As per the earlier circular - RBI/2010-11/188 DPSS (CO) EPPD No. 477 / 04.03.01 / 2010-11 issued by RBI customers were paid compensation only in cases where delay in crediting customer account was beyond one day. Further, Reserve Bank of India (RBI) vide its circular DPSS (CO) RPPD No. 1097 / 04.03.01 / 2019-20 dated December 6, 2019 notified that National Electronic Funds Transfer (NEFT) system will made be operational for 24\*7 timeframe w.e.f. December 16, 2019.

Citi informed RBI on January 02, 2020 that it has downtime of less than 60 minutes during weekdays and Saturdays and ~ 10 hours on Sundays in order to carry out various system maintenances and back up activities. We also informed that Citi does not decline any NEFT transactions received during the downtime window i.e. transactions are queued up for processing and are processed in the first batch. Monthly planned downtime for NEFT & RTGS is 6 hours to support release & maintenance related activities. In addition - to support ½ yearly COB RBI requirement we take 8hrs downtime for COB failover and normalization. Post Saturday End of day , CITIFT which is processing RTGS transaction also requires 1.5 hrs downtime to complete weekly refresh of services on production.

Basis circular issued by RBI to compensate client for delay in credit and post implementation of NEFT 24\*7, banks were advised that their system must be enabled to provide inward credit facility 24\*7 as part of ensuring 'Batch +4' (As NEFT settlement now happen in 30 min batches) hours credit / return discipline.

Beneficiary banks must adhere to the instructions on payment of penal interest for delayed credit /return i.e. beneficiary bank is liable to pay penal interest to Customer for delay in effecting credit to beneficiary account within two hours of batch settlement on NEFT working day

For all days from December 16, 2019, compensation for RTGS and NEFT is paid as follows:

- For RTGS, compensation at current Repo Rate plus 2% to the beneficiary customer per day for any delay beyond 30 mins.
- For NEFT, any delay beyond 2 hours, compensation will be computed at RBI's LAF Reportate plus two percent.
- The calculation of compensation will be on fortnightly data.

The proposed process has been put in place for all NEFT & RTGS transactions on and after Dec 16, 2019.

Note - In case credits are withheld to manage any risk (e.g. Sanctions, account restriction like No credit), or transactions which cannot be completed due to incomplete account details, compensation as stated above is not effected. These exclusions are basis guidance given in point 8 (vii) (a) NEFT Procedural Guidelines 2011. Penal interest shall be paid to the customer as specified in the Procedural guidelines even if no claim is lodged by the customer to that effect.

## 4.2 As per Citi's Cheque Collection Memorandum:

Compensation for delay in collection of instruments is as described in the TTS Cheque Collection Memorandum and provides for: a) Payment of interest for delayed collection of local and outstation cheques, b) Cheques/instruments lost in transit / in clearing process or at paying Bank's branch.

Clearing of outstation (inter-city) cheques/instruments and payment of interest for delayed collections. The timeframe for collection of cheques/instruments drawn on outstation locations once the cheque is sent for collection is as given below (except when it is ascertained that the delay is due to force majeure scenarios like COVID delays etc.)

S. No.	Drawee Location details	Timeframe for clearing
(i)	Citibank branch locations (where drawee location is a METRO location)	5 business days
(ii)	Citibank branch locations (where drawee location is a STATE CAPITAL location)	6 business days
(iii)	Citibank branch locations (where drawee location is NEITHER OF THE ABOVE TWO – "OTHERS")	8 business days
(iv)	Locations where Citibank does not have a branch	14 business days

For the last point (iv) mentioned above, if funds, and/or the related information, have not been received by Citibank from the drawee bank so as to enable Citibank to credit the customer account with the funds within 14 business days, Citibank is not liable to pay any compensation to the customer.

For any delay in realization of cheque beyond the timeframe stipulated in table above, the bank will compensate the customer with interest for the delayed period on the basis of the then prevailing savings account interest rate or Rs. 10/- whichever is higher.

For cheques/instruments lost in transit, Citibank will inform the customer immediately on receipt of this information and will request the client / drawee bank to place a stop payment. Except where the cheques/instruments are lost under force majeure circumstances, return charges on cheques/instruments lost in transit will not be levied to the customer's bank account. The bank will also not levy any additional charges for the replacement cheques/instruments sent into Clearing or on Collection and compensation for the delay will be provided as mentioned above.

Note – The realization of cheque (like non-cts) would also be dependent on the drawee location(s) and hence interest compensation for delay credit may not be applicable.

The bank will on a monthly basis, undertake the exercise of computing compensation and crediting the customer's bank account with the compensation amount for instances where there has been a delay as explained above.

As part of the compensation memorandum of the Bank, the Bank will pay interest to its customer on the amount of collection instruments in case there is delay in giving credit beyond the time specified in Citibank's cheque collection memorandum. Such interest shall be paid without any demand from customers in all types of accounts.

In case of delay beyond this period, the Bank will pay interest at the rate applicable for fixed deposit of corresponding maturity to compensate the customer. The period of fortnight prescribed would be applicable only in cases where the request for duplicate demand draft is made by the purchaser or the beneficiary and will not be applicable in the case of drafts endorsed to third parties.
